MEMBER

CERTIFICATE
OF MEMBERSHIP

We herewith confirm that

MACNICA ATD EUROPE

is member of the European Machine Vision Association

The European Machine Vision Association EMVA is a not-for-profit and non-commercial association representing the Machine Vision industry in Europe. The association has been founded in 2003 in Barcelona by industry representatives from all over Europe as a network to promote the development and use of machine vision technology.

Chris Yates
EMVA President

Thomas Lübkemeier
EMVA General Secretary
